

# HARDWOOD LUMBER

## Dedication • Resource • Inventory • Value-added • Experience

With over 500,000 board feet of hardwood lumber in stock, **Aetna Lumber** is able to supply you with quality Northern and Appalachian hardwoods, from 100 feet to a truckload, when you need it! We buy from domestic and international hardwood lumber mills from specific geographic areas with attention to their manufacturing quality to supply you with the color, texture or yield you require. Our distribution and fabrication plant is centrally located to receive material from the best growing regions of the

country with the ability to surface and rip material to your specifications. Always aware of the changing needs of our customers, **Aetna Lumber** has introduced the following new products: **Edge-glued panels, Finger Jointed Poplar Moulder blanks, S4S boards and custom profile fabrication.** We are keenly aware that you have a choice of hardwood lumber suppliers, we appreciate your patronage and are committed to continuous improvement to continue to earn your business! **Email Bert at [bertramirez@aetnaplywood.com](mailto:bertramirez@aetnaplywood.com) or call 708-343-1515 x2232.**
