

# AETNA — YOUR LAMINATE RESOURCE

**Dedication • Resource • Inventory • Value-added • Experience**

With over 20 years experience with Wilsonart International, Aetna is the leading distributor in the Midwest — we are your Smart Source for all Wilsonart Laminate and Adhesive Products. With over 3000 sku's we have the sizes, grades and finishes to meet your needs. No one has a larger selection or deeper inventory — all available to you for Next Day Delivery. We even keep in stock many of the custom and special order items to help you meet critical deadlines.

We can help you increase your efficiency and profits when you let us help with your commercial projects. Wilsonart's special order program is a fast and effective way to get the size and grade you need that best suits your projects. We are experts in sourcing and delivering your needs on time.

Another great cost-saving advantage is Aetna's Custom Lamination Program. Whether you need Wilsonart "laid-up" panels ( 1- or 2-sided, with or without backers ) or need custom-made laminated parts, Aetna's Fabrication Service will help you deliver on time and maximize your profits.
